RECONNECT SESSION

Restart • Revise • Rise

ABOUT THE SESSION

After a short break last semester, The ACM Student Chapter is relaunching its Data Structures & Algorithms sessions with an interactive Re-Connect Session focused on discussion, problem-solving, and peer learning. Let's rebuild momentum, clear doubts, and grow together, one problem at a time 🚀

**"WHAT YOU FOCUS
ON GROWS."**

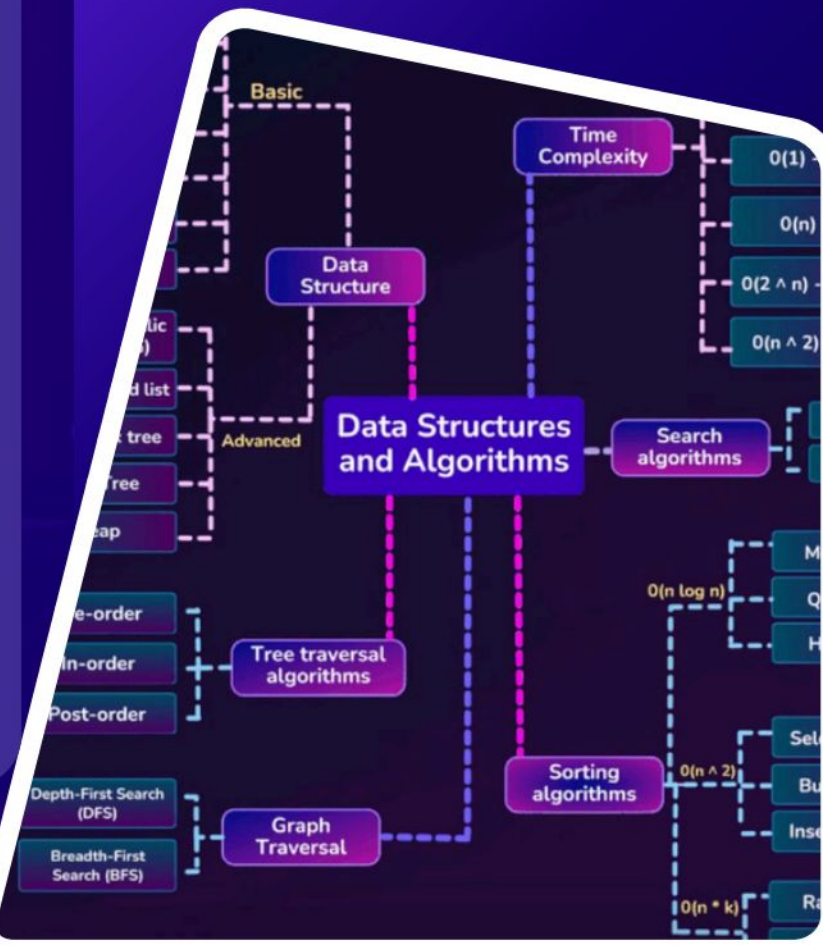

SESSION HIGHLIGHTS

- 💡 Direct interaction with seniors and peers who are strong in DSA
- 💬 Open discussions & Q&A to ask doubts and learn together
- 🧠 Insights into how seniors stayed consistent and built strong DSA habits
- 🛠️ Learn problem-solving approaches and strategies used in real practice
- 🌱 Understand how DSA contributed to academic growth and placements / career path

WHO SHOULD ATTEND?

- **Beginners starting DSA**
- **Students restarting their coding journey**
- **Freshers and seniors**

EVERYONE IS WELCOME!

WHY JOIN ACM DSA SESSIONS?

- 🧩 Beginner-friendly, structured learning
- 🤝 Learn together, grow together (peer learning)
- 💡 Regular hands-on problem solving
- 🚀 Supportive & motivating coding community

SPECIAL HIGHLIGHT

Junior–Senior Interaction

- 🤝 Learn directly from DSA-focused seniors
- 🧠 Smart strategies & problem-solving insights
- 🚀 Motivation to restart your DSA journey

**It's not about
how you started,
it's about how
strongly you
restart!!**
